Your Green Church (survey)

Spirituality

How many Sundays did you have the theme of environmental stewardship?	
How many homilies/preachings talked about environment?	
How many meetings did the children have on caring for Creation?	

Awareness

Did you add the Green Tips in your bulletin (available on website)?	
What environmental group(s) did you support?	
Which environmental campaign(s) did you promote?	
What activity have you done to build awareness (movie, speaker, ecofair...)?	

Action

What type of heating do you have ?	
What has changed to improve energy efficiency?	
Do you organize carpooling?	
Do you buy fair trade products (ex.: coffee)?	
Do you buy organic or local products?	
Do you use eco-friendly cleaning products?	
Do you reduce your water consumption?	
Do you use reusable cups and dishes?	
Do you recycle (paper, plastic, glass, metal) sufficiently?	
Do your grounds' maintenance reflect stewardship of Creation?	

SELF-EVALUATION of your church

Your participation in the *Green Churches Network*

1) Name the most important environmental initiative/activity that your group undertook during the past year
2) What did you find helpful and/or supportive in working with the Green Churches Network?
3) Where would you have liked to see more help and support from the Green Churches Network in the activities that you undertook?
4) What advice would you give to other churches who are starting off at undertaking greening activities in their communities?
5) How do you hope to continue with greening projects in your community in the future?
