

With the ongoing over-fishing in the Sea of Galilee, would Jesus be able to perform the miraculous catch of fish?

The Green Church program helps you take care of God's Creation.

If Jesus was baptized in the Jordan River today,
he would come out all covered with polluted mud!

The Green Church program helps you
take care of God's Creation.

Without a tree to climb up,
how would little Zacchaeus ever had met Jesus?

A sower went out to sow...
genetically modified seeds?

The Green Church program helps you
take care of God's Creation.
