### How Do I Use This Calendar?

Thanks to the tips found here, thousands of Canadian Christians will be able to reduce their ecological footprint during the 2017 Season of Creation. The resulting reduction of wastage and pollution will render our environment even more beautiful. Sharing these hashtags (#) in the virtual world will impact the real world.

### How Can I Make A Donation?

Decorate a recycled container to store the donations you make during the Season of Creation. On October 1st, put these Creation Care gifts into an envelope marked "Green Churches" and confide it to the designated person in your church. These funds will be used for ecological action, environmental education and Creation-centred spirituality.

If your church does not have such a designated person, you can make out a cheque for the collected sum to "Green Churches" and send it to the address below or you may donate the amount online at: [creation.greenchurches.ca](http://creation.greenchurches.ca). You will thus be sent a tax receipt.
